# onebee ™

INDIA'S FIRST IoT RETAIL BRAND

THE MULTI TASKING

SMART HOME

B R A N D

Why Onebee ?

- Unique Products Range
- Affordable Pricing
- Designed for India
- Wire Free Installation
- Easy to Operate even Kids & Elders
- User Friendly Mobile App
- Replacement Warranty - First time in India
- Call Center Support & Door Step Service

The
INTERNET
of **THINGS**

- Anything Any Device
- Anyone Anybody
- Any Service Any Business
- Any Path Any Network
- Any Place Anywhere
- Anytime Any Context

India's first IoT Brand "onebee" is the creation of prestigious cutting edge Technology Company – "Universys Group"- who is in the Automation and Security Industry since last one and half decade.

Being one of the Industry leader in Electronic Automation, Wireless Technology and Surveillance we come up with affordable and Smart Technology products under the brand onebee for Indian market.

With our experience and feel of Indian market we develop all in one security and smart home server solutions for home and offices.

Being a service oriented company we believe and assure customer satisfaction in our products and service.

WIRELESS SMART SWITCH

Wireless Smart Switch / Feather Touch

- 300 Watt
- 3 Devices for convenient way of operating Home appliances like Light, Fan through mobile app,
- Remote and auto timer option.
- LED indication for device ON or OFF
- Zone linkage for Light, Fan..,

onebee™

CONTROL FAN

CONTROL LIGHT

CONTROL LIGHT FAN & MUCH MORE...
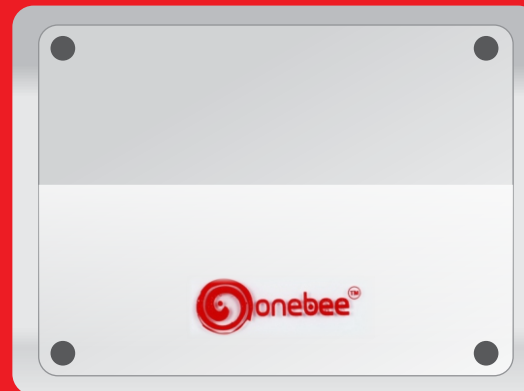

MODEL: IS1510

AC / MOTOR CONTROLLER

Wireless AC / MOTOR / HEATER CONTROLLER

- 9000 watt
- Wireless switch appliances on / off controller

Wireless ON / OFF Control Through timing and Mobile App.

Heavy Load Home Appliances Controller Upto 18Amps

MODEL: AC1634

onebee

AUTOMATIC DOOR LOCK
THROUGH MOBILE APP / REMOTE

Automatic Door Lock
- Double cylinders rotating ball
- Open through mobile app & remote
- Automatic lock when door close

For Wooden / Steel Doors & Main Gate.

MODEL: LK1635

WIRELESS MICROWAVE PIR

Wireless PIR With Microwave

- Detect human movements and sense the motion.
- 3 –level sensitivity adjustment and 45 degree ( ) coverage.
- Inbuilt battery.

MODEL: MMS1630

FOR THEFT SAFETY AND AUTOMATIC LIGHTING CONTROL

WIRELESS OUTDOOR PIR

Wireless Outdoor PIR

- Detect human movements and sense the motion through ir & microwave.
- 3d thermal imaging and manual setting for coverage.
- Weather proof and pet immunity.
- Inbuilt battery backup.

SPECIALLY DESIGNED FOR OUTDOOR AND SUNLIGHT
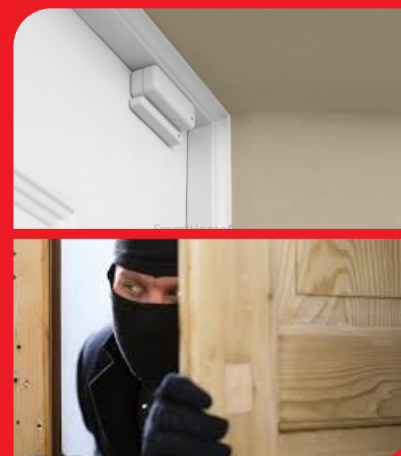

MODEL: MSO1611

WIRELESS DOOR SENSOR

Wireless Door Sensor

- Detect the opening and closing of doors and activate the alarm.
- Inbuilt battery.

MODEL: DS1601

TO PREVENT UNAUTHORIZED DOOR ENTRY / THEFT.

WIRELESS WINDOW VIBRATION SENSOR

Wireless Window Vibration Sensor
- It sense the vibration and activate the alarm.
- 3 level vibration sensitivity adjustment with inbuilt battery.

TO PREVENT THE UNAUTHORIZED WINDOW OPENING / THEFT THROUGH WINDOW

MODEL: VS1502

WIRELESS SHUTTER SENSOR

Wireless Shutter Sensor

- Detect the opening and closing of shutter and activate the alarm.
- Metallic body designed for rough use.
- Inbuilt battery.

TO PREVENT UNAUTHORIZED SHUTTER OPENING / THEFT

MODEL: SH1504

GLASS BREAK SENSOR

Glass Break Sensor
- To detect glass break sound trigger alarm
- 3 level sensitivity adjustments
- Inbuilt battery

onebee

TO PREVENT THEFT THROUGH GLASS BREAKING

MODEL: GB1506

WIRELESS GAS LEAK DETECTOR

Wireless Gas Leak Detector

- LPG leakage detector with built-in buzzer and LED indication,
- Works with smart home server and also as standalone device.
- It Controls exhaust fan and gas valves,

GET IMMEDIATE ALARM FOR GAS LEAK

MODEL: GS1503

WIRELESS SMOKE DETACTOR

Wireless Smoke Detector

- Identify the smoke before fire arises and activate alarm,
- Works with smart home server and also as standalone device.
- Inbuilt buzzer, battery and LED indication.

SPECIALLY DESIGNED FOR OFFICE / INDUSTRY

MODEL: FS1508

WIRELESS FIRE / HEAT DETECTOR

Wireless Thermal Detector

- Sense the temperature level and activate the Alarm if temperature .out of range.
- Range of operation" 40 degree to 80 degree"
- Works with smart home server and also as stand alone device.

SPECIALLY DESIGNED FOR OFFICE & INDUSTRY

MODEL: TH1507

WIRELESS / WIRED KEYPAD

Wireless
- Arm/Disarm button and panic button
- Password protection
- Battery backup.
- Password protection

Wired Keypad
- LCD display.
- With tamper alarm, when enter wrong password, it will limit times.
- Self-checking periodicity.
- Can program the alarm panel.
- Work with alarm panel in 2-way communication.

wireless

wired

MODEL: RP1552

TO OPERATE SMART SERVER BY MULTIPLE USER WITH PASSWORD PROTECTION

STREET LIGHT SENSOR

STREET LIGHT SENSOR
Street light auto on off light control switch photo control sensor rainproof.

AUTOMATIC
ON / OFF

MODEL: SL1632

OCCUPANCY SENSOR

OCCUPANCY SENSOR

Occupancy motion sensor detector auto on off lights fans wall ceiling switch
- Lux adjustment: Day/ Night
- Detection Angle 180°

onebee

AUTOMATIC ON / OFF

MODEL: OS1627

WIRELESS BEAM SENSOR

Wireless Beam Sensor

- Smoke Detection
- Motion Detection
- Upto 200m coverage
- Battery Backup

TO OPERATE SMART SERVER BY MULTIPLE USER WITH PASSWORD PROTECTION

MODEL: BS1622

WIRELESS SENSOR REPEATER / EXTENDER

EXTENDER

- To extent the signal range of smart home server
- Add 16 Wireless sensor.
- To reduce the false alarm.

Note: you can add up to 6 wireless repeaters to extend signals for large area.

MODEL: WX1513

WIRELESS SIREN

Wireless Siren
- 150db wireless siren with LED indication
- Backup sensor for siren
- Work as standalone alarm system also.
- Handle up to 8 sensors.
- Inbuilt battery.

Wired Siren
- 110dbi wired siren

Wireless

MODEL: HO1544OL

Wired

MODEL: HO1544IL

SPECIALLY DESIGNED FOR HOME & OFFICE

WIRELESS REMOTE CONTROLLER

Wireless Remote Controller

- Multifunction Operate
- Activate / Deactivate Alarm system
- Electrical Appliances Control
- Emergency Button

**SPECIALLY DESIGNED FOR HOME & OFFICE**

CCTV Camera (AHD)

- AHD CMOS image sensor
- 3.6mm lens Wide coverage
- High Quality Day/Night Vision
- 720p resolution recording/streaming
- Ip 66 water proof

CCTV Camera (IP)

- 1/3" Progressive Scan CMOS image sensor
- Compression H.264/MJPEG
- Night vision IR cut filter with auto switch
- 3.6mm -4mm lens
- Ip 66 water proof

SPECIALLY DESIGNED FOR HOME & OFFICE

MODEL: HDRE2036DP / HDRE2036DM
